Canned Tomato Paste

Hot Break / 24.2 – 26.2° Brix

La Jolla International is proud to provide some of the best quality tomato products found in the world. The tomatoes are all grown in the Culiacan, La Cruz, Guasave and Los Mochis valleys of Mexico and are renowned the world over for their consistency, flavor and quality. Our tomato paste is made from selected ripened tomatoes that have been washed, crushed hot, scalded, strained and concentrated naturally. Packed to meet USDA and FDA approval in the USA, the resulting tomato concentrate is hot filled and packed free from additives and preservatives.
